City Council - Meetings/Agendas/Districts [2]

All citizens attending a public meeting and desiring to address the board may be asked to complete a speaker's card.

To maintain decorum, the presiding officer will confirm that citizens present wish to speak for or against an item on the agenda. If so, they will be given an opportunity to do so at the proper time, when recognized by the chair. Comments may have a time limit, designated by the board, unless extended by the chair or a vote of the board members.

Citizens who wish to bring up a matter not on the agenda at any meeting may do so, but only under citizen comment. Comments at that time may have a time limit, designated by the board, unless extended by the chair or a vote of the board members. Board members may respond to citizen comments at this time, however, they are under no obligation to do so.

Board members cannot discuss items presented by citizens which have not been posted on the meeting agenda.
